PRE-SALE INSPECTED VEHICLES ARE GUARANTEED BY THE AMERICA'S AUTO AUTION ERIE

POST-SALE INSPECTED VEHICLES ARE GUARANTEED BY THE SELLER

Vehicle Qualifications:

Green light vehicles that run at America's Auto Auction Erie manufactured within 10 years from current model year and with a sale price greater than $2999 and less than $75,000 with an odometer reading of less than 150,000 miles are eligible for a Full Post Sale Inspection. Vehicles, which pass PSI, will carry a 7-Day Sellers Guarantee. Vehicles, which fail enter arbitration becoming an 'AS IS' sale if purchased.

Vehicles sold Green Light by the seller, which do not meet these requirements, are eligible for a Sale Day Check. A guarantee will not be provided by America's Auto Auction Erie. The presence of a green light does not entitle the purchaser to a PSI carrying a 7-day auction guarantee.

Vehicles that run at America's Auto Auction Erie with an announced Powertrain Guarantee are eligible for a mechanical check.

Vehicles sold off the block are not subject to Arbitration and are not eligible for a post-sale inspection without authorization from the Selling dealer.

Buyer is responsible to communicate need for a Post Sale Inspection, within two hours from time of purchase of a qualifying vehicle, as indicated on the block ticket.
